Consignment Agreement

Date: _____ Number: _____

Thank you for choosing Barn Door Consignments (BDC) as a source for selling your used items. We are an equestrian consignment store catering to the sale of used riding clothes, tack, and other horse related items.

Please read the following thoroughly.

All articles must be clean and in good repair. Items accepted for consignment will be at our discretion. Damaged items will be discarded and/or returned to you. Items are accepted at the store during regular business hours. If dropping off large quantities of items, we request that you call ahead for an appointment to drop them off.

Our fees are a 60% to 40% split; the consignor will get 60%. Saddles are a 75% to 25%, with the consignor getting 75%. Checks are issued on the 15th of the month for the previous month. We mail out checks once your balance reaches $25.00 or more.

We will price your items according to the market standards, the items age, and condition. If you have a certain price that you want on an item, we will attempt to get the price you desire. If an offer is made on your item, we will notify you and let you accept, counter, or refuse.

In time, some items may be reduced in price to encourage a sale (saddles are excluded from this policy). Items that remain unsold after a length of time will be donated to a charity of our choice.

All consigned items are left at the owner's risk. We do our best to protect your items, but are not responsible for losses due to theft, fire, flood, or accidental damage.

We look forward to assigning you with the sale of your items. By completing the following section, you agree to the above contract. Please print.
